DONATION FORM

Mwangaza Foundation is a tax-deductible 501(c)(3) providing sole support for the Mwangaza Jitegemee *Kijiji Chema* (Blessing Village), SWACCO and its children in Songea, Tanzania. Help us by checking one or more of the options below and completing your contact information. *Asante*.

Sponsor a Child (Monthly)

Your gift of \$60/month provides a child with food, shelter and all of their medical needs. It also covers all of their schooling needs including tuition, school uniforms, books and all school supplies, as even public school is not free in Tanzania. You will receive information about your child, including a photograph, and an address to correspond with them. Regular updates on his/her progress will be communicated to you a minimum of twice annually.

Name of Child/Children or straight donation for any child:

General Program (payment options below)

Your gift will support the basic operational costs of the home, which currently serves over 80 children, and the Foundation. It includes care for children without sponsors, pay for their caregivers, supplies, and basic administrative costs. These gifts make the work of the Foundation possible. You will receive an annual report which includes budget revenue and expenses.

Kijiji Chema (Blessing Village) Development (payment options below)

Currently the Mwangaza Jitegemee Orphanage is operating from a private home and temporary foster homes scattered over a wide area around Songea. This situation must be remedied as soon as possible. The Sundberg Architectural Initiative has completed plans for a 150-bed orphanage and bricks are being made locally for the construction. We are still raising funds to complete the project. You will receive a copy of a site plan and sponsorship options.
