ISDORY NYENGO

Isdory was born in October 28, 1997 in Songea; He lives at Matarawe with his grandmother Victoria Kayombo. Both his parents passed away shortly after Isdory was born leaving him with his grandmother who is old and has no means of taking care of him.

Because of the situation his grandmother decided to find help in an orphanage. In June 2008, Isdory was accepted by SWACCO which is the local partner of MFJ in Tanzania.

The Foundation provides him with food, clothes, medical and clinical services and all of his schooling needs including tuition, school uniforms, books and school supplies. Currently he is in standard seven at Ukombozi Primary School. Isdory wishes to become a pilot, he is doing well in his school and after school he likes playing football, reading his books and assisting with kitchen work and gardening. Isdory is very funny and likes to be silly with his friends. He is very helpful when he comes to help at the temporary orphanage for his chores.

Isdory continues to care for his grandmother. He is very thankful for her and for SWACCO for helping them stay together.
